

# **COMPANY PROFILE**

## **- DAFORA -**

## WHO WE ARE?

- **Leader within the Romanian drilling market, we are performing onshore drilling services for oil, gas & geothermal water, well testing & workover, transport and maintenance for drilling equipments.**
- **The most wells in Transylvania, as well as the deepest one here, were drilled by Dafora.**
- **Long international drilling experience.**
- **We have contracted most of the drilling works for the international companies operating in Romania.**
- **Registered branch in Ukraine.**
- **Member of the I.A.D.C. (through A.C.F.R) and of the Romanian – Iraqi Association of the Chamber of Commerce and Industry.**
- **Listed on the Bucharest Stock Exchange, tear II.**
- **Dafora also holds an important package of shares in CONDMAG S.A., the main pipeline contractor in Romania.**

## Onshore drilling **SERVICES** for oil, gas & geothermal water

- drilling
- well testing
- workover
- transport
- maintenance for drilling equipments

The long experience, the guarantee of good services along with our PEOPLE`s implication and skill, have led to our services being promoted in the international drilling markets as **Tanzania, Uganda, Sudan, Mozambique, Bulgaria and France.** And since 2007, we provide our services to the Ukrainian market through our branch **Dafora Ukraine.**

## SERVICES: DRILLING

- Long track record of continuous drilling operations in several countries including Romania, Tanzania, Uganda, Sudan, Mozambique, Bulgaria, France and Ukraine.
- Land drilling fleet: 17 rigs, from a compact workover unit to modern drilling rigs capable of drilling wells with a total depth up to 8,500 m.
- Over 1,000 wells drilled with a total of 1,500,000 m since the beginning of our operations.

## SERVICES: WELL TESTING & WORKOVER

Workover services are provided with an own self-propelled workover rig type TW80E A4 with self-erecting and extended API portable guided masts.

## SERVICES: TRANSPORT

We provide own heavy equipment with a capacity between 3,9 t and 55 t to move rigs and related equipment.

## SERVICES: RIG MAINTENANCE

Our in-house teams of experts have been specially trained to provide maintenance and preventive maintenance for drilling & workover rigs, well services equipment, process machinery equipment, electric and electronic equipment & tools.

## COOPERATION

Dafora has performed drilling works in **Romania and abroad (Tanzania, Uganda, France, Sudan, Bulgaria, Ukraine)**, for **Romanian and foreign operators:**

- AMGAZ
- AMROMCO ENERGY
- ATOL
- AURELIAN OIL&GAS
- FOREST OIL INTERNATIONAL
- HERITAGE OIL&GAS
- KRYM PETROLEUM
- NDOVU RESOURCES
- OMV PETROM
- RAMCO
- REGAL PETROLEUM
- ROMGAZ
- STERLING RESOURCES
- TRANSEURO ENERGY
- TULLOW OIL
- WHITE NILE
- WINTERSHALL
- ZETA PETROLEUM

## HSEQ

Our main objective **“Minimum risk – maximum safety”** is based on two essential concepts: **sustainable development** and **continuous improvement** of the quality in the services we offer in the spirit of our assumed commitments.

Guiding principles:

**Attention**

**Constant commitment**

**HSEQ responsibility**

**Compliance**

**Creating**

We will continue to spare no efforts for maintaining the company's objective through

**ATTITUDE, EFFICIENCY AND VISIBLE LEADERSHIP.**

**THANK YOU FOR YOUR ATTENTION!**
